

Instructions for Assignment

In this assignment, you will be practicing the form tag and its attributes in HTML that we learned in lecture 10 and 11.

Instructions for Assignment

Make a webpage using HTML tags lists as shown in assignment9.pdf

In the web page do the following fields as :

- ☐ Nights is of type number and is required field
- ☐ Children and adults are drop down menu.
- ☐ Food Option is a datalist having veg ,non veg and both as options.
- ☐ Name,email,phone number are required fields and they should be valid.

You are supposed to Use the tags and attributes which we have learned in the class.
